##### Striped Jumper:

###### Back:

Using the smaller circular needles and col. white cast on 68 [78] sts (incl. 2 selvedge sts) and work 5 rows in stockinette st starting the first row as a WS row.

Cont with col. mint and work 8 rows in rib patt.

Then change needles to the larger size and work the stripe sequence in stockinette st for 12 [14] cm (40 [48] rows) more. Place marker on both sides for the sleeve placement.

Cont. straight 10 [12] cm (34 [40] rows) more ending with a WS row.

Next row (RS): selvedge st, k 22 [24], cast off next 22 [28] sts, k 22 [24], selvedge st. Then cont. work over these 23 [25] sts for shoulder/ neck edge working both sides separately.

Next row (WS): selvedge st, p 21 [23], selvedge st.

Next row (RS): cast off 6 sts, k 16 [18], selvedge st. =17 [19] sts.

Next row: selvedge st, p 15 [17], selvedge st. Change to smaller needles and using light blue cont. in rib patt for 8 more rows (2 cm) ending with a WS row.

Next row: cast off all sts even.

Place sts from holder onto working needle and finish as for 1st shoulder reversing neck shaping.

**Front:**

Work as given for BACK but beg. the neck shaping at 8 [10] cm (row 28 [34]) from marker ending with a WS row.

Next row (RS): selvedge st, k 25 [27], cast off next 16 [22] sts, k 25 [27], selvedge st. Then cont. work over these 26 [28] sts for shoulder/neck edge working both sides separately.

Next row (WS): selvedge st, p 24 [26], selvedge st.

Next row (RS): cast off 4 sts, k to last st (k 21 [23]), selvedge st.

Next row and all foll WS rows: selvedge st, p to last st, selvedge st.

Then in every alt (RS) row cast off at beg of row 2 sts twice and 1 st once. =17 [19] sts.

Change to smaller needles and using light blue work 2 rows in rib patt.

Next row (RS): (work buttonholes) selvedge st, work 5 [6] sts in patt as established, k 2 tog, cont. in rib patt as established to end of row then 1 selvedge st.

Next row (WS): work in rib patt as established casting on 1 st over k2tog in previous row.

Cont straight until ribbing is 2 cm (row 8) then cast off all sts in patt in next RS row.

Place sts from holder onto working needle and finish as for 1st shoulder reversing neck shaping.

**Sleeves:** (make 2 alike)

Using the smaller circular needles and col. white cast on 38 [44] sts (incl. 2 selvedge sts) and work 5 rows in stockinette st starting the first row as a WS row.

Cont with col. mint and work 8 rows in rib patt. Then change needles to the larger size and work the stripe sequence in stockinette st.

For the side shaping starting in the 5th [3rd] row inc. 1 st each side as foll

(RS): selvedge st, M1 tbl, k 36 [42], M1 tbl, selvedge st.

Then in every foll. 4th row inc. 1 sts each side as established 9 [11] times more. = 58 [68] sts.

Work straight until sleeve meas. 13,5 [15,5] cm

from top edge of ribbing ending with a WS row. Next row (RS-(row 47 [55])): cast off all sts k-wise.

**Making Up:**

Weave in ends. Pin out front and back to meas given, cover with a clean, damp cloth and leave to dry naturally out of sunlight. Do not steam press. On BACK with right sides facing and using the smaller circular needles and light blue pick up 45 [51] sts along the complete edge of the back neck (including flap). Work 6 rows in rib patt then cast off all sts in patt. Work the front neck edge the same but pick up 49 [55] sts and work 2 buttonholes (as on front) in the 4th row over the 3rd and 4th sts after and before the selvedge sts. Sew in sleeves as flat as possible using back stitch, or mattress stitch as preferred placing the back shoulder flap under the front flap and sew in together. Close sleeve and side seams. Sew on buttons. Sew on horse application.

**Hat:**

The hat is worked in rounds using double pointed needles.

Using the smaller dpns and col. mint cast on 80 [90] sts and divide evenly amongst the 4 needles of the set. Close rnd being careful not to twist the sts. Work 6,5 cm in rib patt and stripe sequence: \* 2 rnds in mint, 2 rnds in white, 2 rnds in light blue, 2 rnds in white. Rep from \* 2 times more. Then change to the larger dpns and using col. white work straight in stockinette st.

Next rnd: \* k 8 [9], M1 tbl, rep from \* to end of rnd. = 90 [100] sts.

When work meas. 15 [17] cm total (rnd 52 [59]) beg with top shaping decs by placing a marker at every 9th [10th] st.

Next rnd: \* k 7, k 2 tog, rep from \* to end of rnd. (The decs are worked over the marked st and the st before).

Cont. these decs as set every 2nd rnd until only 10 sts remain.

Break yarn and thread through rem. sts a few times and pull taught. Weave in ends. Fold cuff back in half.

**Socks:** (work 2 alike)

The socks are worked in rnds using the smaller dpns.

Using col. mint cast on 30 [34] sts and divide amongst 4 needles = 7 [8] sts on 1st and 4th needle and 8 [9] sts on the 2nd and 3rd needles. Close rnd being careful not to twist

the sts. Work 24 rnds (6,5 cm) in rib patt. and stripe sequence: \* 2 rnds mint, 2 rnds, white, 2 rnds light blue, 2 rnds white. Rep from \* 2 times more then finish in col. white.

Work 4 [6] rnds in stockinette then work the heel.

Next row: k the sts on the 1st, 2nd and 3rd needle then only on the 4th and 1st needles (14 [16] sts) working in rows work 12 [14] rows in stockinette st with the first and last 2 sts in each row in garter st patt. Then work the heel turn and divide the 14 working sts into outer and centre sts: 4 [5] outer, 6 centre sts, 4 [5] outer sts.

Next row (RS): k 4 [5] (outer), k 5 (centre sts), k 2 tog (last st of centre group and 1st st of left outer group of sts). \* Turn work.

Next row (WS): sl 1st st p-wise wyif, p 4, p 2 tog (last st in centre group and 1st st in outer group of sts). Turn work.

Next row: sl 1 k-wise, k 4, k2 tog tbl (last st of centre group and 1st st of outer sts).

Rep from \* until all of the outer sts have been dec. = 6 sts rem. on needle. Now work in rnds over all needles. The beg of the rnd is the centre of the 6 sts just knit.

Next rnd (1st rnd): pick up 7 [8] sts from each heel edge. There are now 10 [11] sts on each of the 1st and 4th needles and 8 [9] sts on each of the 2nd and 3rd needles.

Next rnd: For the gusset on the 1st needle: k to 3 sts before end of needle, k 2 tog, k 1; k 16 [18] (2nd and 3rd needles); k 1, skp, k to end of rnd. Work these decs in every 2nd rnd until 7 [8] sts are on each of the 1st and 4th needles.

Work straight to the 23rd [28th] row from the heel then work the toe.

Next rnd: \* k to 3 sts before end of first needle, k 2 tog, k 1; k to 3 sts before end of 2nd needle, skp, k 1. Rep from \* once more to end of rnd on the 3rd and 4th needles.

Rep these decs in every 2nd rnd 2 [3] times more then in every rnd until only 2 sts rem on each needle. Break yarn and thread through these rem 8 sts and pull taught. Weave in ends.
