

Pattern

LOLLY POP

Slip Vest

Difficulty level:

Needles:

Quality:

Lolly Pop (Gründl)
100 % Polyacrylic
150 g / 240 m

3 (4) x

Size: Women's EU Size 36/38
[40/42 - 44/46]

Usage: approx. 450 g in
col. 21 (cappuccino-pewter-whi-
te print)
(when matching the colorway
on the front and back 400g for
size 40 and up)

Tip: To achieve the same col. patterning on the front and the back start all balls either from the centre or the outside and wind off until the same part of the pattern occurs to beg. work. Do the same when attaching a new ball so the colorway continues in the pattern. The usage can increase when doing so.

Stitch Pattern:

Ribbing: (amount of sts multiple of 2 plus 1)

WS row: alt k1, p1 and end row with k1

RS rows: work the sts as they appear (k the knits and p the purls)

Garter Stitch Selvedge: (along the side seams)
sl first st in row and knit last st.

Double Selvedge Sts: (on the ribbing and arm-
hole edges)

RS rows: k2 at beg and end of row

WS rows: at beg and end of row sl 2 sts p-wise,
wyif

Tension:

15 sts and 22 rows to 10 cm measured over
stockinette st using size 5 - 6 mm needles or size
needed to achieve given tension.

Instructions: (changes for larger sizes are given
in brackets. If only one number is shown this
applies to all sizes)

Back:

Cast on 83 [93 - 99] sts (including 2 selvedge sts
on each edge) and beg with a WS row, work for
10 cm (= 21 rows) in ribbing with double selvedge
sts. Next row: k2tog the double selvedge sts
and cont in stockinette st with 1 garter st sel-
vedges on each edge (= 81 [91 - 97] sts).

When work meas 39 [40 - 41] cm (= row 85 [87 - 89])
ending with a WS row, work the armholes as foll:
Next row (RS): cast off 4 [5 - 5] sts, k1 (2nd of the
double selvedge sts), p1, k1, p1, cont in stockinette
st until 9 [10 - 10] sts remain then p1, k1, p1, k 5
[6 - 6], 1 selvedge st.

Next row (WS): cast off 4 [5 - 5], p1 (2nd of the
double selvedge sts), then cont working the

sts as they appear and end row with double selvedge sts (= 73 [81 - 87] sts).

Next WS row: (for the armhole shaping) double selvedge sts, p1, k1, p1, skp, work in patt until 7 sts remain on needle, then k2tog, p1, k1, p1, double selvedge sts.

Cont these decs in every 2nd row 7 [8 - 8] times more (= 57 [63 - 69] sts).

Then cont work straight with double selvedge sts until work meas 60 [62 - 63] cm (= row 131 [137 - 139]) ending with a WS row.

For the shoulder shaping cast off 3 [4 - 5] sts at the beg of next 2 rows (same decs on both sides) (= 51 [55 - 59] sts). Then in every row cast off first 3 [4 - 5] sts twice and 4 sts four times. Next row: place rem 29 [31 - 33] sts onto holder.

Front:

Work as for back but with a deeper neckline when work meas 58 [60 - 61] cm (= row 127 [131 - 135]) from cast on. Divide work and place centre 15 [15 - 17] sts onto holder and work neck shaping along both inner edges in every 2nd row cast off 2 sts 2 [3 - 3] times and one st 3 [2 - 2] times. Work shoulder shaping as for back at the same time.

Finishing:

Close shoulder seams. Using the dpns pick up 68 [72 - 78] sts along neck edge (= 29 [31 - 33] sts from holder on back, 12 [13 - 14] sts along neckline edge, 15 [15 - 17] sts from holder on front, 12 [13 - 14] sts along other neckline edge. Work 11 cm in ribbing then cast off all sts loosely in patt. Close side seams leaving bottom edge of the 10 cm wide ribbing open for the side slits. Weave in ends.

Abbreviations:

alt = alternate(ing)
 approx. = approximate(ly)
 beg = begin(ning)
 col = colour(s)
 cont = continue (continuously)
 dec(s) = decrease(s)
 k = knit
 meas = measure(d)
 patt = pattern
 p = purl
 p-wise = purl wise

psso = pass slipped stitch over prev knit st(s)
 rep = repeat
 RS = right side
 skp = sl 1, k1, psso
 sl = slip
 st(s) = stitch(es)
 tog = together
 wyif = with yarn in front of work
 WS = wrong side

Schema (cm):
