## FILZWOLLE SPECTRA

### Felt Slippers

#### Difficulty level:

#### Needles:

8,0 – 9,0

#### Quality:

Filzwolle Spectra (Fa. Gründl)  
100 % virgin wool  
100 g / 100 m

2 x

**Size:**  
38/39

**Consumption:**  
approx. 200 g to size 38/39

#### Pattern:

stocking stitch: 1.row: plain, 2.row: purl, in round: only plain

#### Stitch test:

(stocking stitch, non-felted):  
11 st. x 16 r = 10 cm x 10 cm  
(stocking stitch, felted):  
19 st. x 32 r = 10 cm x 10 cm

#### Instructions:

Size: various sizes in table, here, example: size 38/39  
Cast on 38 st. (see table) and knit stocking st. for 37 r (see table). Then distribute st. on set of needles: 1. and 4. needle: 9 st., 2. and 3. needle: 10 st. Continue in round, hereby adding 2 st. in 1.row in front centre (= 40 st.). After 30 rd. (see table), work the tip. For this purpose, knit together the last two st. of each needle in plain in each round, repeat until only 2 st. remain on each needle. Pull these together with the working yarn.

#### Finish:

Close rear seam as flat as possible (use felt wool) and felt the slippers.

#### Felting:

Felt slippers (on their own) in washing machine with 3 tennis balls at 40 °C coloured washing. Please do not use fabric softener. Add some washing detergent without optical brighteners incorporated softener. After washing, shape (ideally, slip into the still damp shoe) and leave to dry.

#### Abbreviations:

st. = stitch(es)  
r = row(s)  
rd. = round(s)
