Pattern:

Drop Stitch Lace Pattern: (amount of sts multiple of 3 plus 2 selvedge sts)

Row 1: (= RS) p the sts between the selvedges.

Row 2: (= WS) 1 selvedge st, * 1 yo, p1, rep from * to end then 1 selvedge st.

Row 3: 1 selvedge st, * sl 3 sts p-wise letting the yos drop in between and to create long sts. Place these 3 sl sts back onto the lefthand needle, then k3tog tbl leaving the worked sts on the lefthand needle (new st is on right needle), 1 yo then k3tog tbl the same sts again then sl the sts from lefthand needle, rep fro * to end then 1 selvedge st.

Row 4: p all sts between the selvedges.

These 4 rows establish the pattern. Rep rows 1–4 cont. throughout.

Garter st selvedge: k tbl first st in row and sl last st p-wise wyif.

Decreases on righthand side of work: (for the side shaping worked in drop stitch lace patt)
Decs are always done in the 3rd row of the drop stitch lace patt. After the selvedge st, sl 6 sts dropping the yos and stretching the stitches as established, place these 6 sl sts back onto the lefthand needle then k3tog tbl leaving the worked sts on the lefthand needle (new st on the right needle as in patt), 1 yo, then k3tog the same sts again then sl the sts from the lefthand needle. (= 3 st dec).

Decreases on lefthand side of work: (for the side shaping worked in drop stitch lace patt)
Work row until 7 sts remain (including selvedge st but not counting yos), then work the 6 sts in front of the selvedge st as the decs on the righthand side of work, 1 selvedge st.

Decreases for the arm opening:

At the beg of the row, always in the 1st and 2nd row in patt, cast off 3 sts.

Tension:

26 sts and 24 rows to 10 cm meas over drop stitch lace pattern using size 3,5mm needles or size needed to achieve given tension.

Instructions: (changes for the larger size are given in brackets. If only one number is shown, this applies to both sizes)

Back:

Using beige, cast on 125 [137] sts (including 2 selvedge sts) and beg with a WS row work in drop stitch lace patt. For the side shaping beg at 8 cm (= row 18) in the next RS row (= 3rd row in drop st lace patt) dec 3 sts each side (= 119 [131] sts) Work these decs in every foll 20th row 3 times more. (= 101 [113] sts). Cont until work meas total of 35 [36,5] cm (= 84 [88] rows) ending with a WS row. For the arm opening dec 3 sts both sides in every 1st and 2nd row of patt 4 times (= 77 [89] sts) When work meas total of 18 [19,5] cm (= 44 [48] rows) from beg of arm opening, loosely cast off all sts k-wise.

Front:

Work as for back.

Finishing:

Close side seams. Close the shoulder seams over 4 [5] cm each side. 22 [24] cm are left open for the boat neckline. Using col. black crochet 1 rnd of sl sts around the neckline, bottom edge and arm openings. Work the sts loosely and placing hook into every 2nd st so the edges do not ripple.
