#### Stitch Pattern:

Ribbing Pattern: (in rows)

WS: alt k1, p1 cont. throughout and end row with k1  
RS: work the sts as they appear (k the knit sts and p the purl sts)

Ribbing Pattern: (in rnds.)  
alt k1, p1 throughout.

Double Seed Stitch:

Row 1: (= RS): alt k1, p1 cont. throughout and end row with k1

Row 2: (and all following WS rows): work the sts as they appear

Row 3: alt p1, k1 cont. throughout and end row with p1.

Rows 1 - 4 establish the pattern. Rep these 4 rows cont. throughout.

Selvedge Stitches:

At beg of row sl 1 k-wise first st and end of row sl 1 p-wise wyif.

Tip for Colour Sequence:

To achieve a harmonious color change start the new piece at the same place in the colour sequence as the last piece. Start **ALL** balls consistently either from the inside or the outside.

**Tension:**

25 sts and 33 rows to 10 cm meas over double seed st pattern using size 3-4 mm needles or size needed to achieve given tension.

**Instructions:** (changes for larger size are shown in brackets)

Back:

Cast on 89 [103] sts (including 2 selvedge sts) and beginning with a WS row, work 6 cm (= 17 rows) in ribbing between the selvedge sts. Then cont in double seed st.

When work meas total of 39 [47] cm (= 129 [155] rows) work the shoulder shaping. Cast off 5 [7] sts at beg of next 2 rows. Then at beg of every following row cast off 6 [7] sts 6 times. AT THE SAME TIME when work meas 40 [48] cm (= 131 [159] rows) place the centre 31 [35] sts on a

holder for the back neckline and work both sides of the neck separately. In every alt row at the neck edge cast off 3 sts once, 2 sts once and 1 st once.

**Front:**

Work as for back but for the lower neckline opening when work meas total height of 37 [45] cm (= 121 [149] rows) place the centre 23 [27] sts onto a holder and work both sides of the neck separately. In every alt row at the neck edge cast off 3 sts once, 2 sts twice and 1 st three times. AT THE SAME TIME work the shoulder shaping as for back.

**Sleeves:** (make two alike)

Cast on 43 [51] sts (including 2 selvedge sts) and beginning with a WS row, work 5 cm (= 15 rows) of ribbing between the selvedge sts. Then cont in double seed st patt.

For the side shaping in every 4th row on both sides inc 1 st (M1 tbl after and before the selvedge st working the new sts into patt as established) 16 [18] times (= 75 [87] sts). Then work straight until total height of 26 [33] cm (= 87 [109] cm). Next row: cast off all sts even in patt.

**Finishing:**

Close shoulder seams. For the neckline ribbing, with right sides facing and dpns, pick up 88 [98] sts along neckline edge and work 6 – 8 cm in ribbing in rnds. Then cast off all sts loosely in patt. Sew in sleeves. Close side and sleeve seams. Weave in ends.

**Abbreviations:**

- alt = alternate(ing)
- approx. = approximate(ly)
- beg = begin(ning)
- col = colour(s)
- cont = continue (continuously)
- inc = increase
- k = knit
- k-wise = knit wise
- M1 = make 1
- meas = measure(d)
- patt = pattern
- p = purl
- p-wise = purl wise
- rep = repeat
- rnd(s) = round(s)
- RS = right side
- sl = slip
- st(s) = stitch(es)
- tbl = through back loop
- tog = together
- wyif = with yarn in front of work
