#### Tension:

15 sts and 20 rows to 10 cm meas over ribbing  
(slightly stretched)

15 sts and 18 rows to 10 cm meas over stockinet-  
te

**Instructions:** (Changes for larger sizes given  
in brackets. If only one number is shown, this  
applies to all sizes)

#### Back:

Using col. 14 cast on 60 [66] sts (including 2 sel-  
vedge sts) and beg with a WS row. Work 1,5 cm  
(= 3 rows) in ribbing patt. Then cont in stocki-  
nette in the given colour sequence. In the first  
row of stockinette M1 into the 3rd st and then 29  
times into every foll 2nd st (start counting with  
the selvedge st) (M1 = k1 and k1tbl into one st) (= 90 [96]  
sts). Then work meas total of 61,5 [64,5]  
cm (= 111 [117] rows) work the shoulder shaping  
on both sides. In every alt row cast off 7 sts 2 [0]

times and 8 sts 2 [4] times. Place the remaining 30 [32] sts onto a holder for the back neck.

**Front:**

Work as given for back, but make the deeper neck opening when work meas total of 61,5 [64,5] cm (= 111 [117] rows) place the centre 18 [20] sts onto a holder and work both sides separately. Cast off along the neckline edge every alt row 3 sts once, 2 sts once and then 1 st once. AND AT THE SAME TIME work the shoulder shaping. Work the other side in the same manner.

**Sleeves:** (work 2 alike)

Using col. 14 cast on 28 [32] sts (including 2 selvedge sts) and starting with a WS row work 1,5 cm (= 3 rows) in ribbing pattern. Then cont in stockinette stitch in the given colour sequence making incs in the first row: M1 (as for Back) into every st between the selvedge sts [the 4th st and then into every foll st (25 times)] (= 54 [58] sts). For the sleeve shaping starting with the 7th row in stockinette inc 1 st each side and then in every foll 6th row inc 1 st 11 times (= 78 [82] sts) (Increases: at beg of row after the selvedge st k1 tbl using the horizontal loop between the sts and at the end of the row before the selvedge st.) When sleeve meas total of 49 [52] cm (= 89 [95] rows) loosely cast off all sts even.

**Finishing:**

Use the mattress st for all seams. To do so, place the edges to be joined together flat next to each other with the right sides facing. Use a blunt needle and alt sts between pieces inserting the needle under the horizontal bar between the selvedge st and the 2nd st. On the shoulder seams the st below the cast off edge. Then into the corresponding bar on the other piece. Cont alt from side to side and after a few cm of work, tug the thread firmly to close the seam but be careful not to make the seam too tight. The selvedge sts or the cast off edge sts disappear to the inside and you will have a clean, almost invisible seam. Close the shoulder seams. For the collar using col. 10 and right sides facing place the sts from the holder onto a needle and pick up along the neck edges on the back and front 9 sts each side (total of 66 [70] sts). Divide the sts evenly onto the dpns and work in ribbing approx. 8 cm (= 16 rnds) in col. 10 and 1 cm (= 2 rnds) in col. 14. Then cast off all sts loosely in

pattern. Sew in sleeves. Close side and sleeve seams. Weave in ends.
