Back:

Using col. pink (07), cast on 81 [89 - 97] sts (includ-
ing 2 selvedge sts) and work 1 WS row in ribbing
patt. Change to col red (34) and work 2 rows in
stockinette st. Then cont in lace patt (refer to
chart and col sequence) as foll: 1 selvedge st, k1,
8 st patt rep 9 [10 - 11] times and end row with
5 sts after patt rep, k1, 1 selvedge st.

Colour Sequence:

12 [14 - 14] rows in red (col. 34), 28 [28 - 30] rows
in orange (col. 33), 28 [28 - 30] rows in pink
(col. 07), 12 [14 - 14] rows in red (col. 34), 28
[28 - 30] rows in orange (col. 33), 26 [28 - 28]
rows in pink (col. 07)

Work straight for 58 [61 - 63,5] cm (= 134
[140 - 146] rows) in given colour sequence. Then
finish the back using pink (col. 07) as foll: 2 rows
in stockinette

Next row (RS): 1 selvedge st, k17 [21 - 24] (shoul-
der sts), 45 [45 - 47] sts in ribbing patt,

k17 [21 - 24] (shoulder sts), 1 selvedge st.
 Next row (WS): work the sts as they appear.
 Next row: cast off all sts k-wise.

Front:

Work as for back.

Sleeves: (work 2 alike)

Using col. pink (07), cast on 41 [41 - 49] sts (including 2 selvedge sts) and work 1 WS row in ribbing patt. Change to col red (34) and work 2 rows in stockinette st. Then cont in lace patt (refer to chart and col sequence) as foll: 1 selvedge st, k1, 8 st patt rep 4 [4 - 5] times and end row with 5 sts after patt rep, k1, 1 selvedge st.

Colour Sequence:

12 [12 - 12] rows in red (col. 34), 46 [48 - 50] rows in orange (col. 33), 46 [48 - 50] rows in pink (col. 07)

AT THE SAME TIME for the sleeve shaping starting in row 16 (= 7 cm) from start of lace patt inc 1 st each side (M1 (k1 tbl) using the horizontal bar between the sts) at beg of row after the selvedge st and at the end of the row before the selvedge st. (= 43 [43 - 51] sts). Work the incs in stockinette in the rows following. Then inc 1 st on each edge as established in every 8th row 9 times (= 61 [61 - 69] sts). Then work straight until sleeve meas 45 [47 - 49] cm (= 104 [108 - 112] rows) from start of lace patt ending with a WS row.

Next row (RS): cast off all sts k-wise.

Finishing:

Use the mattress st for all seams. To do so, place the edges to be joined together flat next to each other with the right sides facing. Use a blunt needle and alt sts between pieces inserting the needle under the horizontal bar between the selvedge st and the 2nd st. Then into the corresponding bar on the other piece. Cont alt from side to side and after a few cm of work, tug the thread firmly to close the seam but be careful not to make the seam too tight. The selvedge sts or the cast off edge sts disappear to the inside and you will have a clean, almost invisible seam.

Close both shoulder seams over the outer 11 [14 - 16] cm. Set in sleeves and then close the side and sleeve seams. Weave in ends.
