Dec after the markers: sl 2 to cn and hold to back of work, k2tog, then k2 from cn.

Instructions: (Changes for larger sizes given in brackets. If only one number is shown, this applies to both sizes)

Back:

Cast on 79 (87) sts (incl 2 selvedge sts) and beg with a WS row. Work 5 cm (= 15 rows) in ribbing. Then cont 24,5 [28] cm (= 66 [76] rows) in stockinette st. Then cast off 4 sts each side for the underarm raglan shaping (= 71 [79] sts). Place all sts onto a holder.

Front:

Work as for back and place sts onto a 2nd holder.

Sleeves:

Cast on 37 (41) sts (incl 2 selvedge sts) and beg with a WS row. Work 4 cm (= 13 rows) in ribbing. Then cont in stockinette st making the side shaping incs on both edges of work starting with the 3rd row of stockinette: M1 each side (on righthand edge of work after the selvedge st and on lefthand edge of work before the selvedge st: k1tbl using the horizontal strand between the sts) (= 39 [43] sts). Work these incs in every foll 6th row 10 times more (= 59 [63] sts). When work meas 25,5 [29] cm from beg of stockinette, cast off 4 sts each side for the underarm raglan shaping (= 51 [55] sts). Place all sts onto a holder. Work second sleeve alike and place sts onto a separate holder.

Finishing/ Yoke:

Place the sts from the holders onto one circular needle: front (71 [79] sts), right sleeve (51 [59] sts), back (71 [79] sts), left sleeve (51 [59] sts) (= 244 [268] sts) Use the working yarn from the last sleeve worked to cont working in stockinette st in rnds. Place markers over the 2 adjacent selvedge sts joining the sleeves and front/ back as 2 raglan sts and make the decs before and after the marked sts for the raglan decs 20 [22] times in every alt 2nd and 3rd rnd. Change to shorter needles (or dpns) as needed. When yoke meas 18,5 [21] cm (= 50 [56] rnds) work the rolled neckband for approx. 8 cm (= 23 rnds) over the remaining 84 [92] sts. Then cast off all sts even, working a ch after every 2nd cast off st so the edge remains elastic.

Finishing:

Close the side and sleeve seams using the mattress st. To do so, place the edges to be joined together flat next to each other with the right sides facing. Use a blunt needle and alt sts between pieces inserting the needle under the horizontal bar between the selvedge st and the 2nd st. Then into the corresponding bar on the other piece. Cont alt from side to side and after a few cm of work, tug the thread firmly to close the seam but be careful not to make the seam too tight and to insure the seam remains elastic. The selvedge sts or the cast off edge sts disappear to the inside and you will have a clean, almost invisible seam. Close the openings on the sleeves. Weave in ends.
