*WS rows.:* purl all sts between selvedge sts.

Stockinette st in rnds: (Rolled edge on collar)  
knit all sts.

Ribbing in rows: (amount of sts multiple of 2)

*RS and WS rows.:* alt k1, p1 between the selvedge sts.

Ribbing in rnds.: (for the collar, amount of sts multiple of 2) alt k1, p1.

Seed stitch: (amount of sts multiple of 2)

*RS rows:* alt k1, p1.

*WS rows:* alt p1, k1.

#### Instructions:

(Changes for larger sizes given in brackets. If only one number is shown, this applies to all sizes)

##### Back:

Using needles 4 - 5 mm cast on 68 [74] sts (incl. 2 selvedge sts) and beg with a WS row, work 4 rows in stockinette st for the rolled edge. Next row (WS): purl all sts and inc 12 sts evenly across row (for size 36/ 38: after the selvedge st M1 into the 6th st and then in every foll 5th st 11 times [for size 40/42: after the selvedge st, M1 into every 6th st] (M1 = p1 and k1tbl into one st)) (= 80 [86] sts). Cont for 8 cm (= 22 rows) in ribbing patt ending with a WS row. Next row (RS): knit and inc 12 sts evenly across row (for size 36/38: after the selvedge st M1 into the 7th st and then into every foll 6th st 11 times [for size 40/42: after the selvedge st M1 into every 7th st] (M1 = k1 and k1tbl into one st)) (= 92 [98] sts). Change to larger needles and cont 55 [58] cm (= 139 [145] rows) in seed st. Then work the shoulder shaping on both

sides in every alt row, cast off 5 sts 6 times [5 sts 4 times and 6 sts 2 times]. Then place the remaining 32 [34] sts for the back neck onto a holder.

**Front:**

Work as for back but with deeper neckline shaping beg AT THE SAME TIME as the shoulder shaping (55 [58] cm from beg of seed st) place the centre 14 [16] sts onto a holder and work both sides separately. Then along the neckline edge cast off 3 sts one, 2 sts once and then 1 st 4 times. Work the second side in the same manner.

**Sleeves:** (work 2 alike)

Using the 4 -5 mm needles, cast on 28 [32] sts (incl. 2 selvedge sts) and beg with a WS row, work 4 rows in stockinette st for the rolled edge. Next row (WS): purl all sts and inc 6 sts evenly across row (for size 36/ 38: after the selvedge st M1 into the 3rd st and then in every foll 4th st 5 times [for size 40/42: after the selvedge st, M1 into every 5th st] (M1 = p1 and k1tbl into one st)) (= 34 [38] sts). Cont for 6 cm (= 16 rows) in ribbing patt ending with a WS row. Next row (RS): knit and inc 10 sts evenly across row (for size 36/38: after the selvedge st M1 into every 3rd st 10 times [for size 40/42: after the selvedge st M1 into every alt 3rd and 4th st] (M1 = k1 and k1tbl into one st)) (= 44 [48] sts). Change to larger needles and cont in seed st. For the side sleeve shaping in every 6th row inc 1 st each side 10 times and then in every foll 8th row twice and then in every foll 10th row twice (= k1tbl or p1tbl into the bar between the selvedge st and the first (or last st) in each inc row.) Make the incs in patt accordingly. When work meas 46 [48] cm (= 115 [121] rows) from beg of seed st, cast off all sts even in patt.

**Finishing:**

Use the mattress st for all seams. To do so, place the edges to be joined together flat next to each other with the right sides facing. Use a blunt needle and alt sts between pieces inserting the needle under the horizontal bar between the selvedge st and the 2nd st. On the shoulder seams the st below the cast off edge. Then into the corresponding bar on the other piece. Cont alt from side to side and after a few cm of work, tug the thread firmly to close the seam but be careful not to make the seam too tight. The selvedge sts or the cast

off edge sts disappear to the inside and you will have a clean, almost invisible seam. Close the shoulder seams. Sew in sleeves. Then close side and sleeve seams. Using the dpns, pick up approx 14 [15] sts along each neckline edge and place the sts from the holders onto the dpns (= total of 74 [80] sts for the collar) and work 8 cm (= 22 rnds) in ribbing in rnds. Then for the rolled edge work 4 rnds in stockinette st and dec 6 sts evenly across the 1st rnd of stockinette. (= each dec k2tog) (= 68 [74] sts). Next rnd: cast off all sts k-wise. Weave in ends.
