Instructions:

The shawl is worked from the neck down.

Cast on 6 sts and starting with a WS row, work in garter st patt. PM onto the 2 centre sts. Now in every RS row M3 (M2 and M1) sts and also M1 in the WS rows as described above (no additional selvedge sts are needed). Work 19 rows in garter st patt then cont in the patt rep, working the repeat of 28 rows cont throughout. Work until almost all of the skein is used up, making sure to end the shawl with 8 (or more) rows in garter

st patt. This prevents the shawl from rolling together along the edge. Loosely cast off all sts, knitting all the sts in the last row without yos or incs.
