Difficulty:

Needles:

4 – 5 mm

Quality:

Codino from Gründl
70 % cotton (recycled),
25 % polyester,
5 % other fibres (recycled)
250 g / 250 m

1 x

Size:

Circumference: approx. 62 cm,
height: approx. 36 cm

Usage: 1 braided skein
approx. 250 g

Stitch Pattern:

Treble (tr) worked in rnds:

start every rnd with 2 ch to replace the first treble and end the rnd with 1 sl st worked into the 2nd replacement ch from the beg of the rnd.

Double treble (dtr) worked in rnds:

start every rnd with 3 ch to replace the first dtr and end the rnd with 1 sl st worked into the 3rd replacement ch from the beg of the rnd.

Double treble (dtr) worked in rows:

start every row with 3 ch to replace the first dtr and end the row with 1 dtr worked into the 3rd replacement ch from the beg of the previous row.

Mesh pattern: (refer to chart)

The chart shows the first pattern repeat along with the round transition, in the following repeats work either a treble or double treble in place of the 2 or 3 chains.

Tension:

18 sts and 5 rnds measured over 10 cm in mesh pattern.

Instructions:

Start work at the bottom of the bag. Make a magic ring and tr12 into the ring (= rnd 1).

Rnd 2: double every stitch (= work 2tr into each st) (= 24 sts)

Rnd 3: double every 2nd st (= 36 sts)

Rnd 4: double every 3rd st (= 48 sts)

Rnd 5: double every 4th st (= 60 sts)

Rnd 6: double every 5th st (= 72 sts)

Rnd 7: double every 3rd st (= 80 sts) (also refer to chart for mesh pattern)

Rnds 8 – 22: work as shown in chart, work the repeat 4 times and in the 10th rnd work the repeat 9 times

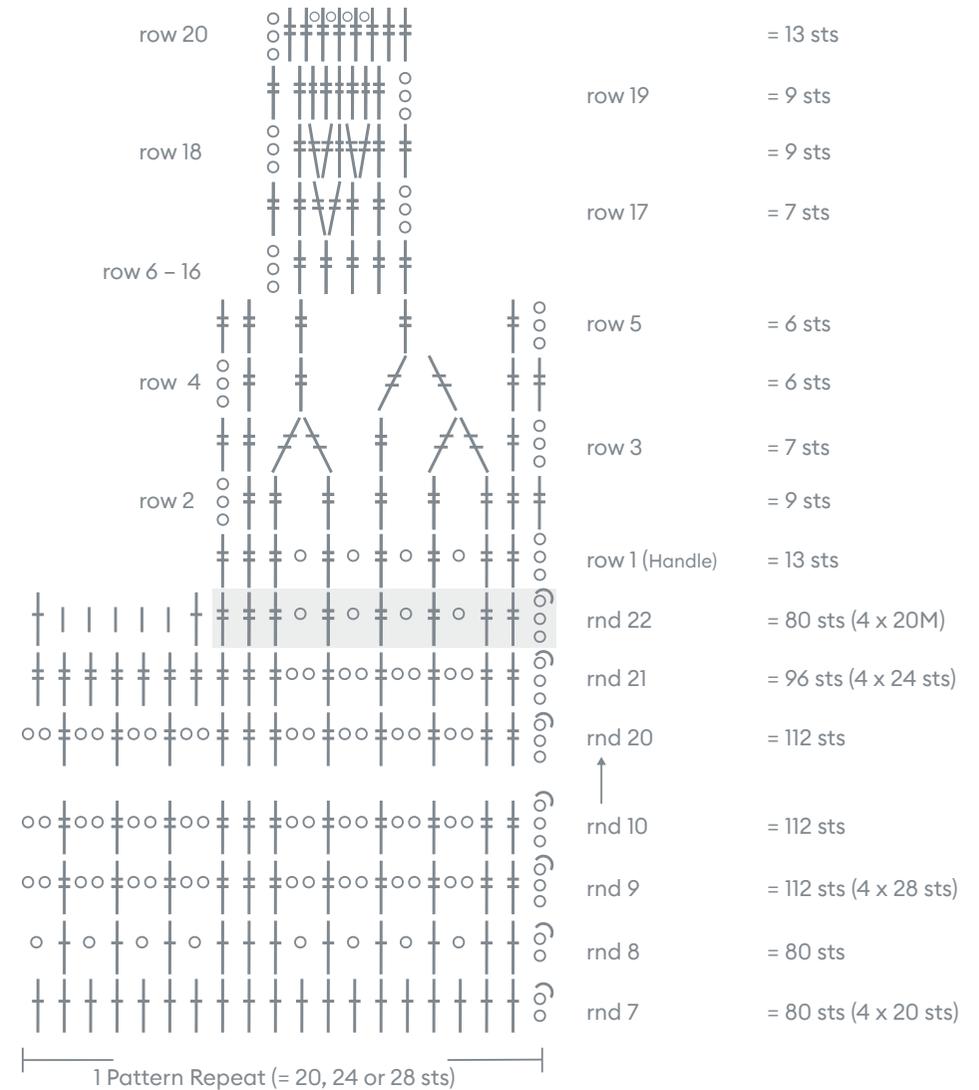

Handle: (refer to rows 1 – 20 as shown in chart, this shows the complete handle). Work the handle directly after the last rnd of the bag over the first 13 sts in mesh pattern (marked in grey). After working 20 rows attach the handle

using sl sts to the first 13 sts (marked in grey) of the next pattern repeat in mesh pattern.
 Work the 2nd handle in the same manner, beginning with the first 13 sts of the 3rd pattern repeat and attaching the end of the handle (as before with sl sts) to the first 13 sts of the next (4th) pattern repeat.
 Weave in ends.
