Instructions:

(changes for larger size shown in brackets. If only one number is shown this applies to both sizes)

Back:

Using col. 12 cast 126 [136] sts (incl 2 selvedge sts) and beg with a WS row work 2 cm (= 9 rows) in ribbing patt 1. Then work 62 [65] cm (= 205 [215] rows) in eyelet patt and colour sequence. Then work the shoulder shaping in every alt row: cast off 10 [11] sts each side 3 times. Then place the rem 66 [70] sts for the back neck onto a holder.

Front:

Work as given for back but with a deeper neckline when work meas total of 60 [63] cm (= row 199 [207]) place the centre 48 [52] sts on a holder and work the neckline shaping along each of the neckline edges in every alt row cast off 4 sts once, 2 sts once and 3 sts once.

Sleeves:

Using col. 12 cast on 46 [52] sts (incl 2 selvedge sts) and starting with a WS row work 6 cm (= 19 rows) in ribbing patt 1. Cont in eyelet patt and given colour sequence. Inc 22 [24] st well spaced in the first row (= selvedge st, double every 2nd st 22 [24] times (M1 = k1 tbl into the horizontal strand between the sts) and end row with selvedge st) (= 68 [76] sts). For side shaping make incs starting in row 5 M1 each side (= at beg of row after the selvedge st M1 and at end of row M1 right before the selvedge st) (= 70 [78] sts) Inc in every foll 6th row 15 times more (= 100 [108] sts) Integrate the incs into the eyelet patt. Work for total of 38 [40] cm (= 125 [133] rows) from beg of eyelet patt ending with a WS row. Next row: cast off all sts k-wise. Work second sleeve alike.

Finishing:

Close the side and sleeve seams using the mattress stitch. To do so, place the edges to be joined together flat next to each other with the right sides facing. Use a blunt needle and alt sts between pieces inserting the needle under the horizontal bar between the selvedge st and the 2nd st and on the shoulder seams the sts directly below the cast-off edge, then into the corresponding bar on the other piece. Cont alt from side to side and after a few cm of work, tug the thread firmly to close the seam but be careful not to make the seam too tight. This insures an elastic

seam. The selvedge sts or the cast off edge sts disappear to the inside and you will have a clean, almost invisible seam.

Close the shoulder seams. For the neckband with right sides facing and using col. 01 and the dpns pick up along each of the neckline edges 7 sts each and place the sts from the holders onto the dpns (= 128 [136] sts total for the neckline). Work 1,5 cm (= 7 rnds) in ribbing 2 in rnds then work 1 rnd in ribbing patt 1 using col 12. Cast off all sts loosely in patt. Weave in ends.
