Loop (with needle 10.0 – 12.0): 8 st x 16 rd. = 10 cm x 10 cm

Pattern:

Hat:

The hat is knit in open rsr and wsr. Cast on 42 st and 2 est in col. 03 and k in garter stitch in the stated colour sequence, start with a rsr. At a total height of 15.5 cm (= 28 r), decr. in the rsr as follows:

29th R: k tog. every 6th and 7th st ri between the est (= 38 st)

33rd R: k tog. every 5th and 6th st ri between the est (= 32 st)

37th R: k tog. every 4th and 5th st ri between the est (= 26 st)

39th R: k tog. every 3rd and 4th st ri between the est (= 20 st)

41st R: always k tog. 2 st ri (= 10 st)

Pull the current working thread 2 x through these 10 st and sew the st together. Close the rear seam as flat as possible, make a pompom in col. 02 with a diameter of approx. 9 cm and sew it to the hat.

Loop:

Cast on 108 st in col. 03, close to the rd. and k 41 rd. in garter stitch in the stated colour sequence, then loosely c off the st.

Mittens:

Right mitten: Cast on 18 st in col. 12 to the needle set (5 st on both the 1st and 3rd needle, 4 st on both the 2nd and 4th needle) and close to the rd..

Initially k 10 cm (= 14 rd.) in the cuff pattern, then continue working in garter stitch in col. 01. In the process incr. 1 st in the 1st rd. to both the 2nd and 4th needles, by knitting out 1 ri st twisted from the horizontal yarn between 2 st (= 20 st; 5 st per needle). In the 11th rd. from the beginning leave the first 3 st on the 1st needle in garter stitch for the thumb and then cast on 3 new st in the following rd. over the left-alone st. In the 27th rd. k tog. from the beginning the first two st ri twisted of the 1st and 3rd needles in garter stitch and k tog. the last 2 st ri of the 2nd and 4th needles, also in garter stitch (= 16 st). Rep. these decreases another 2 x i. e. 2nd rd. (= 8 st). Sew together the remaining 8 st with the current working thread. For the thumb knit out 5 st from the thumb opening in col. 14, and distribute across the needles with the 3 left-alone st. k 11 rd. in garter stitch, then sew together the st with the current working thread.
Left mitten: Work like you did for the right mitten, but cast off the last 3 st from the 2nd needle for the thumb, k the cuff in col. 03, the garter stitch part of the glove in col. 04 and the thumb in col. 05.
